

Holmer Green Senior School Weekly Newsletter

18 September 2026

HEADTEACHER'S MESSAGE:

We are back in the swing of things with Year 8, 9, 10 and Duke of Edinburgh Parent Information Evenings this week and PE after school fixtures. It has been fantastic to see so many students representing the school in our PE fixtures, demonstrating great teamwork, commitment and enthusiasm. Next week we have Year 11 Parent Revision Information Evenings (Monday and Tuesday) and a Year 12 Parent Information Evening (Thursday). These events provide valuable opportunities to support students as they progress through this important stage of their education. Thank you for your continued support, and I wish you all a restful and enjoyable weekend.

REMINDERS:

Student safety – please encourage your children to be attentive when using the roads. The use of mobile phones whilst walking along the pavements or crossing the roads should be discouraged so that children can concentrate on their surroundings and other people.

We strongly encourage our students to be as independent as possible on their journey to and from school. Walking, cycling and taking the bus are all good options. If you do need to drive your children to school, please do not drive along Parish Piece at the start and the end of the school day as this causes congestion and significant danger for students as they make their way home. Please arrange to meet you sons and daughters at a location away from Parish Piece. When parking, please park legally, safely and respectfully of our neighbours.

Please remember to sign up for extra curricular clubs and interventions and include the School Cloud link: SchoolCloud - Holmer Green Senior School <https://holmergreensenior.schoolcloud.co.uk/>
